Product reviews

PCMag.com - 11/03/2011
[Soho OS](#)

SohoOS (free) has set out on an understated undertaking: to create an online operating system for the SOHO market.

Financial Mail - 27/03/2013
[Tech Review: Soho OS](#)

Marketing, invoicing, sales, contact management, inventory, e-commerce - there seems to be a lot to worry about in your average business, and that's before you actually get any work done.

per week."

Food Production

"PlanetSoho has really been there for me, giving me unique ways to promote my business. I get great information off the blog regularly. I have got leads, won a fabulous video—I have even got a newspaper interview thanks to Planet Soho!"
